Rocky LaPorte

Rocky LaPorte's appeal comes from his everyman, streetwise style of comedy. A former Chicago truck driver and dock worker that delivers laughs in his trademark Brooklyn accent, Rocky's clean, blue-collar style of comedy continues to increase in popularity as he travels the country. On the big screen, he can be seen in his second movie with **Tim Allen** called "**Crazy on the Outside**" which premiered January 8, 2010 (Rocky was also in "**Shaggy Dog**" with Tim). He has traveled with **Drew Carey** to Iraq to entertain the troops and was seen on the **ShowTime** special "**Patriot Act: A Jeffrey Ross Home Movie.**" Rocky has filmed his own **Comedy Central Presents** special and in a nationwide poll was voted the network's second most popular comedian. He has performed on **The Tonight Show with Jay Leno**, and had appearances on **A&E's Evening At The Improv** and **VH-1's Stand-Up Spotlight**, as well as sitcom appearances on **Cheers** and his own NBC pilot, "**The Rocky LaPorte Show.**" Rocky has become one of the most sought after comedians in the country, accumulating a slew of performances throughout his career.
