# BILL SCOTT

## Stand-up Comic

Bill Scott has a style all his own. Dry, laid-back delivery complimented by a non-stop barrage of punchlines and laughs. His manner is fearless, edgy, and dark, but not predictable or blatantly dirty. Bill has been described by his peers as one of America's best pure comedy writers, a skill that is only surpassed by his precision-like execution of every joke. His no-frills stage presence and likeability allow him to speak the unspeakable, leaving even the most conservative audience members bent over with laughter. Pound for pound, one of the best straight monologue comics in a long time.
