

Creative Arts ~and~ Atmosphere Entertainment

3D Photo Crystals: This unique process uses a computer guided laser to precisely etch 3D images within a quality lead crystal cube. Your photo is captured by the specialized 3D scanner, transferred to the engraving machine that produces the image onto the crystal. The crystal creations are 3-inches tall x 2-inches square. Approximately 25 to 27 crystals can be created in 60-minutes.

Airbrush Tattoos: Offering hundreds of airbrush designs with many original designs including classic motifs, wrist and ankle bands, belly art, Asian symbols and Celtic designs.

Airbrush License Plates: Talented artists create customized vanity license plates using the airbrush technique. The artwork features a person's name or initials airbrushed with a border in your choice of color to compliment your vehicle. The design is sprayed onto a standard sized aluminum plate which is then sprayed with a protective sealant.

Art Madness George Williams: Professional artist and teacher George Williams paints 'action portraits' set to musical soundtracks chosen to relate to the paintings and/or theme that highlights your event. George has created over 70 different styles of paintings including rock stars, sports figures, patriotic portraits and religious themes. The artwork is yours to keep ~ George's paintings have been auctioned off at fundraisers or won by guests attending banquets in raffle ticket drawings. He can customize the performance to include the completion of a single portrait (within the length of 3 to 5 songs) or create multiple paintings in an extended time frame.

Balloon Sculptor Vanessa: Vanessa creates outlandish hats, clever wearable jewelry, wings, flowers, fruit, creatures, theme motifs and a menagerie of animals.

Bead It! Necklace & Key Chain Art: Design and create your own necklace or key chain by choosing from a vast selection of crystal, clay, glass, pewter, brass, silver, bone, ceramic, and wooden beads in a large array of sizes, textures and colors, then string the beads onto durable cord. Friendly jewelry designers and attendants can assist you with your designs.

Caricature Artist: Skilled artist captures your guest's caricature likeness, creating a custom drawing that the guests take with them.

Clowns: Giggles the Clown is pictured here ~ she is a professional clown with exceptional face painting skills and is a great balloon twister. She is available for whimsical clown antics and children's entertainment.

Dangerous Reptiles of the World: Young expert Jonathan Custead brings 10-15 specimens of exotic and dangerous reptiles from all over the world. Jonathan educates the audience on each animal while handling some of the world's largest breeds of snakes (anaconda, reticulated python, Burmese python), along with deadly venomous snakes (King Cobra, Black Mamba, rattlesnakes). The highlight of his program is Lassie, a 7-foot alligator. The interactive program runs for 60-minutes, followed by a 20-30 minute informal discussion and close up look at some of the animals.

Dog Tags: Actual military style metal dog tags are embossed with your name, initials or favorite phrase, instantly produced into a necklace and ready to take with you. The tags are standard issue size of 2 x 2 1/16 inches and hang on a sturdy 24-inch chain. Up to 200 tags can be produced in 4 hours.

Dog Tags ~ Laser Photo Etched: Your photo-like image is instantly etched onto the metal dog tag. Just pose for a photo then watch the sparks fly as a skilled artist creates a customized tag with a specialized laser-etching system.

Dream Interpreter: This fascinating study of the subconscious mind leads to motivating and empowering dream interpretations that offer an intimate insight into problem solving in our daily lives. Through discussion of your dreams, the interpreter can offer suggestions on how to create opportunities for your own personal and professional growth

Fantasy Masks Face Painting: Professional artist with a unique flair creates amazing theatrical face mask style designs from the whimsical to the wild. Pick from colorful fairy fantasy designs complete with sparkles and glitter to dramatic jungle animals or playful custom artwork that can be enhanced with sparkles.

Flip Flops: Your guests work with our skilled attendant and create their very own, one of a kind pair of Flip Flops with several color selections and over 100 accessories including a variety of embellishments, fabrics and jewels. Up to 100 sets of flip flops can be created in a 4-hour time frame and include a draw string bag for each pair.

Freaky Snapshots ~ This fun 4 x 6 postcard size photo novelty features your image super-imposed into a famous location or fantasy picture of your choice, created into a postcard keepsake.

Freaky Fotos ~ Your face is superimposed on the body of magazine style photo of your choice, printed in 6 x 8 size.

Handwriting Analysis: Using the skills of graphology, our analyst studies guest's handwriting samples and explains which personality traits their penmanship reveals.

Henna "Mehndi" Tattooing: This ancient art of body tattooing is done with the long-lasting *all-natural* henna dye. The skilled artist creates intricate lace-like patterns on guests' hands, wrists and arms and gives written directions on how to care for their one of a kind tattoo. The henna dye is completely organic, made from a recipe of tea, lemon and the henna plant (*no chemicals or "black henna" are ever used*). The artist requires only 2 minutes per tattoo.

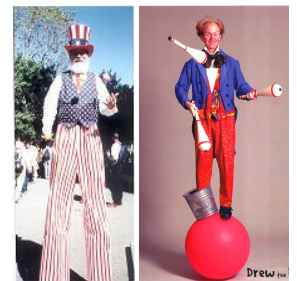

Howard Mincone: Not just your average performance artist Howard Mincone has created a stage show full of physical comedy, juggling feats, magic and audience related antics. A professional performer that has traveled all through the US and Canada most recently received enjoyed a special request to perform in China in October 2007. His supreme juggling feats and amusing, interactive and whimsical show captivates crowds where ever he performs.

It's Personal!: This exclusive fact gathering system is downloaded with your personal data and with these details, our technician produces a keepsake document of fun and interesting facts exclusively about you! The keepsake is printed in an attractive presentation including a cardboard frame. Our unique It's Personal programs includes First Name Almanac, Birthday Chronicle, Last Name Almanac, Proud Pedigrees, Amazing Astrology and The Sands of Time.

Juggler-Stiltwalker Jay Breckenridge: An award-winning and amazing performer and noted Pittsburgh entertainer, Jay's colorful performance includes a combination of stilt walking, classic style and off-the-wall juggling and creative balancing feats as he strolls among and interacts with the crowd.

Juggler Drew the Fool: Eccentric vaudevillian performer, Drew entertains with his original style of visual physical comedy routines that include juggling, ball walking, magic, ladder balancing, unicycling, Vaudeville clowning, and silent (mime-like) interactive characters.

Magicians: Amazingly skilled magician with a great personality and exceptional sleight-of-hand magic abilities entertains while strolling among guests or performs a full stage show of Magic.

Pick your costuming and props, then stand in front of the green screen and sing. Each performer receives a DVD of their performance complete with amazing visual effects.

O₂ Zone Oxygen Bar: The oxygen bar system is completely self-contained including the bar attendant, 4 bar stools, the attractive bar unit with built-in lighting, and 4 individual oxygen stations, each featuring 4 aroma choices. Oxygen generators filter the existing air and put out up to 97% pure oxygen that passes through the aroma station. The system allows guests, wearing their own disposable, sterile airflow line, to try one or all 4 of the aroma scents.

Paper Folding Artist Michael Roy: One sheet of paper...no cuts...no tears...no glue. Interactive visual artist, Michael Roy and his nimble fingers bring origami into the new millennium, combining classic Japanese style origami with the latest in high tech folding. With dexterity, quick wit and charm, Michael transforms single, flat squares of paper into 3D forms of animals, flowers, sea life, birds and decorative objects while mingling and strolling among guests.

Petting Zoo: Large mobile zoo features a menagerie of tame exotic and barnyard animals including African Pygmy Goats, Barbados Sheep, Miniature Donkeys, Llamas, Jacob Sheep, Scottish Highlander Calf (looks like a buffalo), Potbellied Pigs, Fancy Chickens, Silkies, Turkey, Geese, Guinea Fowl. The zoo is completely self-contained with fencing, up to 100 animals, the feed and clean-up. Pony rides can also be included. The zoo is USDA federally licensed and fully insured.

Photo Booths: This classic favorite has been updated to offer the latest photo digital technology. Step behind the booth curtain and take pictures alone or with your friends. Choose a booth that offers three software programs ~ classic Photo Fun, Fashion ID (choose different hairstyles, etc.), or the classic version of candid black and white or color strip photos, and options to include a logo or slogan on each strip. The Photo Booth comes in 2 styles and requires from a 4-ft. square x 7-ft. high space to a 8-ft. x 10-ft. x 7-ft. high space with direct access to 1 – 110-volt electrical source.

Photos ~ Yesteryear Old Time Antique Photos: Gun Slingers and Bar Maids, Gamblers and Can-Can Girls, Cow Pokes and Prairie Girls... we provide 15-20 male and 15-20 female old west vintage style costumes to choose from. The photographer takes the picture, which is developed into a tinted photograph as you wait. Guests choose from having their 4x5 inch photo placed into a 5x7 card frame or a choice of 3 styles of "wanted" posters that are 8x10 in size. Up to 200 photos can be produced in 4 hours.

Photo Buttons & Key Chains: The classic, popular novelty where guests have a photo taken that is instantly created into a photo buttons or key chain.

Photo Flipbooks: Customized software takes a 7 second video that converts and transforms 60 individual color photos into an animated flipbook in 90 seconds. Event is self-contained with the camera, software, supplies and staff, and only requires a 10-ft square space with 2 - 6-ft. banquet tables, 2 chairs and direct access to 110-volt 20 amp electric.

Flip Motion Photos: 2 pictures are combined into one hologram that creates motion within the photo. Two photos are taken in different poses in front of a green screen then merged together through a specialty computer system, combined into one hologram that creates motion within the 4x6 inch photo. Set up requires a 10-ft. x 12-ft. space with direct access to 2 separate 20 amp electrical sources and 1 – 8ft. banquet table.

Photo Snow Globe or Key-Chain Events: We offer the classic snow globes or key-chains which are miniature versions of the classic novelty item which encapsulate photos of guests in liquid and snowflake filled globes.

PhotoRama: This novelty photo package allows guests to choose from a wide selection of items to have their picture incorporated into. The photographer takes their picture and instantly places the photo in their choice of novelties like Bobble Heads, Stuffed Bears, Snow Globes, Mouse Pads, Key Chains, 4x6 Photo Keepsake Snapshots, 4x6 Superimposed Novelty Photos, etc.

Popcorn, Cotton Candy & Sno Cone Machine Rentals: The Popcorn and Cotton Candy machines include all the supplies. The Sno Cone machine requires you to provide bags of ice with a receptacle. You will need to provide volunteer operator(s) with 1-6-foot banquet table and direct access to standard electric for each food item. If needed, ask about pricing for us to provide the attendant (*please note that these items are only available when added to a package of interactive novelties, and may not be available in some areas*).

Psychic Readers: Our intuitive Psychic associates give lighthearted and insightful life readings by means of Tarot Cards, Handwriting Analysis, Numerology and/or Palmistry.

Rice Necklaces: A single grain of rice is meticulously personalized with your name, school initials or favorite phrase then encapsulated into a liquid-filled glass bottle, floating with colored accent sand. The miniature bottle is strung as a necklace or key chain with colorful clay beads and metal accents, ready to take with you as a memento from the event.

Sand Art: Create unique designs by filling a clear bottle with layers of colored sands using tools to create intricate designs and mix the colors. The event includes the operator and supply of multiple colored sands and bottles (up to 250 pieces). You need to provide 2-6ft. banquet tables.

Spin Art Cards: Create multi-colored splash-art designs using the fun spin art technique. The event includes supplies for up to 250 pieces, and operator. You need to provide 1-6ft. banquet table and access to 1 – 110 volt electrical outlet.

Spin Art Sunglasses: Create your own unique sunglasses using the Spin Art system. The novelty accommodates two students at one time, along with an attendant and all supplies for to 150 sunglasses. Set up requires a 2 – 6-ft. banquet tables with access to electric. Ask about other Spin Art novelties including T-Shirts and Puzzles.

Storyteller Sean Miller: Sean learned to tell tales at a very early age from his Grandfather and to this day considers himself a Traditional Western European Male Folk Teller. While he specializes in specific areas of Folk Telling, he does not feel the need to limit himself to these areas and has often told tales that come from other bodies of lore. Sean offers a number of programs and story subjects.

Stilt Walker Don-NA!: A multi-talented performer who portrays an array of colorful stilted characters in whimsical costuming. Don-Na is a talented balloon artist as well, and for a portion of her performance can create flowers, angel wings, outlandish hats, and a menagerie of animals for guests as she mingles among them – all while on stilts.

T-Shirt Airbrushing Artist: Artist creates customized airbrush designs on T-shirts for guests as they watch. Guests choose from a variety of original designs personalized with their names that are created by the skilled artist in multi-color, permanent, airbrush paints.

Wax Hands: Create a wax sculpture of your hand in any pose you choose by dipping a hand in therapeutic wax until a mold is formed. A variety of color combinations are available for guests to choose from.

Wind Puppets: These 20 to 35-foot air filled tubes are great for indoor or outdoor use to attract attention and highlight the party atmosphere. Lighting is included if the puppets are used in the evening.

Whip Artist Gery Deer: Internationally-recognized whip artist and trainer, Gery presents "The Supersonic Magic of the Whip™" ~ an exciting and interactive show that is a great blend of master whip artistry and showmanship. The program's unique format and quick pace leave the audiences speechless. Gery is an international advisor to the World Stunt Association, has worked with film producers as a performer, trainer and consultant on whip artistry and choreography, was featured on NBC TV's America's Got Talent, and on the WB's Steve Harvey's Big Time Challenge.
