

# Big Six Wheel

The numbers 1 through 6 are represented as dice on the Wheel. Each spoke of the Wheel has a different combination of 3 dice on it.

Players may bet on as many numbers as they wish.

After all the bets have been placed, the Dealer will spin the Wheel.

Players are paid 1 to 1 if a ONE dice with the winning number shows up on the winning spoke of the Wheel.

Players are paid 2 to 1 if TWO dice (doubles) with the winning number show up on the winning spoke of the Wheel.

Players are paid 3 to 1 THREE dice (triples) with the winning number show up on the winning spoke of the Wheel.
